Summary

A Software Developer with two years of experience within the technology industry, specializing in full stack development, JavaScript, CSS, and end-to-end software delivery. A proven track record of executing over 30 technical projects using React, Bootstrap, and MERN. A strong history of serving as a subject matter expert and technical consultant for team members and clients.

Experience

Solution Developer | PriceSpider | Remote | October 2021 - January 2023

- Delivered 20+ widgets during high-volume periods for large client accounts such as Stanley Black & Decker, Panasonic, Bonide, and Cornutz, which included interfacing with internal and external global teams across Norway, Italy, France, Germany, New Zealand, Australia, Canada, and the U.S.
- Exceeded delivery expectations by 200% for the Mentholatum client account, which resulted in the customer adding four new brands and recognition from the board of directors.
- Utilized Figma to develop creatives, designed and built widgets using CSS, HTML, JavaScript, API, JSON, and debugged data flow in PriceSpider system to ensure product delivery.
- Vetted feed ingestion accuracy within the system to ensure alignment with client requirements.
- Coordinated with team members proactively and collaboratively within organization to analyze potential risks, escalate issues, and identify technical solutions
- Implemented technical aspects of end-to-end software delivery with minimal escalation.
- Served as the subject matter expert at PriceSpider and technical consultant for colleagues.
- Provided training, coaching, and mentorship to four new hires and created new internal documentation.
- Facilitated meetings with internal and external teams to refine and iterate on in-house technologies, which contributed to high NPS scores and positive feedback from clients.

Vice President | Bay Area Boot Camp Alumni Network | Remote Volunteer May 2021- February 2022

- Provided leadership and strategic direction for the local Boot Camp Network Community.
- Created events and scheduled conferences with Alumni Community Manager and leadership board.

Insurance Agent | World Financial Group (WFG) | Santa Rosa CA 2018 – 2020

- Developed a wide range of financial solutions for clients, including debt management, estate planning, and college planning.
- Established, built, and maintained relationships with prospective clients through networking.
